# Nova Scotia Progress to Date & Next Steps

# Key points in 2022 municipal consultation response

- Consideration of small business
  - De minimus/tonnage
- Service levels
  - Seamless transition for residents
- Timelines
  - Existing contracts
  - Flexibility
- Dispute resolution process
  - Ensure municipal interests are protected

# Our goals for today

- Expectations vs actual outcomes
  - Lessons learned
- Key data required to be collected (ie. house counts)
- Decision making factors for municipalities choosing to provide service
  - Key terms to be negotiated
  - Process for negotiations (by municipality, by region, by other entity)
- Expectations around contamination
  - Impact on diversion
  - Audit process
- Impacts on ICI sector
  - Collection and processing
- How can we prepare elected officials?
